

Stewards of the Walkway

We are grateful for the support of the visionaries who share the dream of fulfilling the promise of the Walkway. A Steward gift will stand as a permanent symbol of support for the Walkway and its lasting legacy. Your gift allows us to undertake significant capital projects, host innovative programming, and enhance the Walkway experience for visitors. Our Stewards program offers the opportunity to dedicate an on-bridge medallion or bench plaque.

- **Bronze Medallion:** These custom engraved medallions are permanently mounted on the center overlook of the Walkway. Over time the elegant and weather resistant pieces develop a beautiful natural patina. Medallions are available for support at \$10,000 and above.
- **Bench Plaque:** A custom engraved stainless steel plaque is affixed to the face of one of the beautiful benches that line the bridge. They are made of Ipe wood which is exceptionally strong, naturally resistant to the elements, and ages beautifully. Bench plaques are available for support at \$5,000 and above.

Both levels of Stewardship include a dedication ceremony on the bridge to unveil the memorial to family and friends. Stewardship includes tickets to our annual Starry Starry Night benefit.

We are happy to talk to you about the Steward program. Please contact Diane Haight at 845-454-9649 or walkway@walkway.org.
