

WALKWAY

OVER THE HUDSON

Stewards of the Walkway

We are grateful for the support of visionaries who share the dream of fulfilling the promise of the Walkway. A Steward gift will stand as a permanent symbol of support for the Walkway and its lasting legacy. Your gift allows us to undertake significant capital projects, host innovative programming, and enhance the Walkway experience for visitors. Our Stewards program offers the opportunity to dedicate an on-bridge medallion.

These custom engraved pieces are mounted on the center overlook of the Walkway. Over time the elegant and weather-resistant pieces develop a beautiful natural patina. Medallions are available for support at \$10,000 and above.

The medallion process includes a dedication ceremony to unveil the memorial to family and friends, as well as 2 tickets to the year's annual Starry Starry Night benefit.

Learn more at www.walkway.org/stewards. We are happy to talk about the program. Please contact Diane Haight at 845-454-9649 X104 or walkway@walkway.org.
