Walkway Over the Hudson is a 501(c)(3) nonprofit group that works to activate and improve Walkway Over the Hudson State Historic Park. The park connects the region through several rail trails including the Hudson Valley Rail Trail and the Empire State Trail and is an outdoor attraction for over 600,000 visitors each year. Through our staff and volunteers, Walkway Over the Hudson activates the unique public space year-round through community events and educational programming. Through our partnership with the New York State Office of Parks, Recreation and Historic Preservation we embark on capital improvement projects that enhance the visitor experience.

Walkway Over the Hudson is a small but fast-paced nonprofit organization. Our critical mission depends upon engaging with a diverse community, volunteers, park patrons, members, and donors who share our vision for the park, to connect people within our region and afar and to contribute to the overall vitality of the Hudson Valley.
