**Parks, Recreation and Historic Preservation**

Walkway Over the Hudson State Historic Park is managed and maintained by NYS Parks, Recreation and Historic Preservation – Taconic Region

**“Lovely way to spend the day. The Walkway is a beautiful transformation of bringing the old to life again and has easily moved up to one of my top spots in New York to visit.”**

– Jessica Colón  
Membership Coordinator  
New York Botanical Garden

Advance reservations required. Due to high demand, we recommend that you book your tour a minimum of two months prior to ensure availability on your preferred dates.

Your escorted group tour will last approximately one hour and can be customized for your group's preferred length and areas of interest. Tours are led by trained Walkway Ambassadors who are knowledgeable about the Walkway's construction, history and reconstruction, as well as the Hudson River and surrounding areas.

### Escorted Group Tour Highlights

- **Two trained guides assigned to each tour bus** for ease of listening.
- **Breathtaking, unobstructed 360 degree views** of the Hudson River and surrounding scenic valley from 212 feet above the Hudson River.
- **Substantial chest-height safety railing** on both sides of this wide, flat and smooth concrete walkway.
- **ADA handicapped accessible;** no stairs required.
- **Mobile web tour,** signage and historic photos in English, Spanish, Italian and Mandarin Chinese.
- **Designated bus parking.**
- **Cost: \$250 per bus** for East or West Entrance arrivals or for tours beginning at Walkway's 23-story glass elevator entrance at Upper Landing Park.
